Născut în 1913, la Oteșani — Vilcea, Ion Dumitrescu a urmat cursurile Conservatorului din București, cu Alfonso Castaldi, Mihail Jora, Dimitrie Cuclin (compoziție) și Ionel Perlea (dirijat). A studiat deasemenea muzica psalitică și cea populară.

În prezent este profesor de armonie la Conservatorul din București și prim-secretar al Uniunii Compozitorilor din R.P.R.

A fost distins cu titlul de Maestru emerit al artei și este de două ori Laureat al Premiului de Stat.

Creația sa cuprinde: piese pentru pian, voce și pian, o *Suită în stil vechi pentru violă și pian* (1939), trei *Suite pentru orchestră* (prima scrisă în 1939, a doua în 1940 și a treia în 1944), un *Poem pentru violoncel și orchestră* (1940), o *Simfonie* (1948), un *Quartet de coarde* (1949), un *Preludiu simfonic* (1952), o *Simfonietă* (1956). A scris deasemenea muzică de scenă, mai ales în perioada cînd funcționa ca dirijor și compozitor al Teatrului Național, muzică de film, prelucrări de dansuri populare și coruri.

Ion Dumitrescu este un reprezentant de seamă al școlii românești de compoziție. Lucrările sale sunt construite pe teme originale cu rădăcini în muzica populară.

Quartetul Nr. I în do major are patru părți: prima — *Allegro con brio* — în formă de sonată, începe cu o temă energetică și frâmintată ritmic, expusă în forte de cele două viori, într-un mod (cromatizat) de do cu treapta IV-a urată și VII ciborită, propriu muzicii populare. Prinț-o scurtă punte, derivată din prima temă, se ajunge la tema secundară, în tonalitatea dominantei construită din două elemente melodice cu revenirea primului. Primul dintre ele are un caracter senin, sugerind o mișcare de joc și este expus la vioara întâia pe un acoperiament în terțe ce coboară cromatic, realizat de vioara secundă și violă. Al doilea element (Comodo) de un caracter cantabil este tratat în diferite tonalități situate la interval de terță mică, una față de alta, ceea ce permite revenirea la tonalitatea dominantă. Dezvoltarea, scurtă, are la bază cel de al

doilea element al temei secundare, precum și un element derivat din punte. În repriză tema secundară apare modificată. Coda încheie mișcarea prin dinamizarea temei principale.

Partea a doua — *Andante soave* — în formă de lied, aduce o idee melodică ce se desfășoară amplu, amintind doina, pregătită și susținută de mișcarea legănată a viorii secunde și violei și de un tremolo în registrul grav la violoncel. Partea mediană are un caracter mai expresiv, cu insistențe pe anumite intervale caracteristice intonațiilor populare. Revine prima temă însoțită de aceeași legănare ritmică și mișcarea se încheie pierzîndu-se în nuanțe din ce în ce mai stinse.

In partea a treia, ritmul de $\frac{7}{8}$ caracteristic muzicii populare, este cel ales de compozitor pentru a ilustra caracterul viu al Scherzo-ului (*Allegro scherzando*). Trio-ul — *Allegretto moderato* — realizează un contrast de caracter, mișcare și intensitate, fără a pierde însă pulsăția ritmică inițială care rămîne cea caracteristică jocului. Coda acestei părți fărămițează nucleul melodic al temei principale a scherzo-ului, mergînd pînă la reducerea ei la un simplu interval de cvintă.

Finalul quartetului este scris în formă de rondo-sonată în care tema principală a expoziției este influențată de genul popular al colindelor, iar ideea nouă (C) care înlocuiește dezvoltarea sugerează prin procedeele folosite, cimpoiul.

Né en 1913 à Oteșani-Vilcea, Ion Dumitresco a suivi les cours du Conservatoire de Bucarest — ayant pour maîtres Alfons Castaldi, Mihail Jora, Dimitrie Cuclin, pour la composition et Ionel Perlea pour la direction d'orchestre. Il a également approfondi la musique éclesiastique et la musique populaire.

Ion Dumitresco est actuellement professeur d'harmonie au Conservatoire de Bucarest et premier secrétaire de l'Union des Compositeurs de la R.P.R.

Il a reçu le titre de Maître émérite de l'art et a obtenu à deux reprises le Prix d'Etat.

Parmi ses compositions nous citons : des pièces pour piano et pour voix et piano, une *Suite en style ancien pour alto et piano* (1939), trois *Suites pour orchestre*, écrites en 1939, 1940 et 1944, un *Poème pour violoncelle et orchestre* (1940), une *Symphonie* (1948), un *Quatuor à cordes* (1949), un *Prélude symphonique* (1952), une *Symphoniette* (1956). Il a de même composé de la musique de scène — tout particulièrement lorsqu'il détenait les fonctions de chef d'orchestre et de compositeur au Théâtre National — de la musique de film et des arrangements de danses populaires et des choeurs.

Ion Dumitresco est un représentant remarquable de l'école roumaine de composition. Ses œuvres portent l'empreinte de thèmes personnels ayant des racines dans la musique populaire.

Le quatuor Nr. 1 en ut majeur se compose de quatre parties : la première, — *Allegro con brio*, — en forme de sonate, débute par un thème énergique, au rythme agité, rendu en *forte* par les deux violons, dans un mode (chromatiqué) d'ut, avec le quatrième degré haussé et le septième abaissé, propre à la musique populaire. Par un court pont, dérivé du premier thème, on arrive au thème secondaire dans la tonalité de la dominante qui contient deux éléments mélodiques avec la répétition du premier. Le premier élément a un caractère serein, sugérant un mouvement de danse : il est rendu par le premier violon sur un accompagnement en tierce qui, descendant chromatiquement, est réalisé par le second violon et l'alto. Le deuxième élément (*Comodo*), d'un caractère cantabile, est traité en différentes tonalités séparées l'une de l'autre par des intervalles de tierce mineures ce qui permet le rétablissement de la tonalité de la dominante. Le développement, qui est court, a à la base le deuxième élément du thème secondaire ainsi qu'un élément dérivé du pont. La reprise, le thème secondaire est modifié. La Code achève le mouvement en imprimant au thème principal une allure plus dynamique.

La deuxième partie — *Andante soave* — en forme de lied, introduit une idée mélodique, largement déployée, rappelant la „doina“ (cantilène populaire) et est préparée et soutenue par le mouvement traînant du second violon et de l'alto et d'un trémolo du registre grave du violoncelle. La partie médiane a un caractère plus expressif, insistant sur

certains intervalles, caractéristiques aux intonations populaires. Le premier thème, accompagné du même berçement rythmique, revient et achève le mouvement dans des nuances plus en plus estompées.

7

Dans la troisième partie, de rythme de 8 propre à la musique populaire, est choisi par le compositeur pour illustrer le caractère vif du scherzo (*Alegro scherzando*). Le Trio — Allegretto moderato — réalise un contraste de caractère, de mouvement et d'intensité, sans toutefois perdre la pulsation rythmique initiale, qui continue à être la caractéristique d'une danse. La Coda de cette partie réduit en pièces le noyau mélodique du thème principal du Scherzo, jusqu'à un simple intervalle de quinte.

Le finale du quatuor est écrit en forme de rondeau — sonate dans lequel le thème principal de l'exposition subit l'influence du style populaire des noëls, tandis qui l'idée neuve (C) qui remplace le développement sugère, par les procédés employés, — une cornemuse.

Ион Думитреску, родившийся в 1913 году, в Отешань-Вылча, начал учиться игре на скрипке еще во время пребывания в средней школе. С 1934 и по 1941 год он учился в Бухарестской консерватории, сначала по классу педагогики, а затем композиции, под руководством Альфонсо Кастьяди, Михаила Жора, Димитрия Кукина (композиция) и Ионела Перля (дирижерство). Он изучал также церковную и народную музыку.

В настоящее время Ион Думитреску работает профессором консерватории в Бухаресте по классу гармонии и состоит первым секретарем Союза композиторов Румынской Народной Республики.

Он удостоен звания заслуженного мастера искусства РНР и два раза награжден Государственной премией.

Начал он писать в 1938 году. В число его композиций входят произведения для рояля и голоса и рояля, сюита в старинном стиле для виолы и рояля (1939), 3 сюиты для ор-

кестра (первая написана в 1939, вторая в 1940 и третья в 1944 году), поэма для виолончели и оркестра (1940), первая симфония (1948), струнный квартет (1949), симфоническая прелюдия (1952), симфоньетта (1956). Он писал также музыку для театра (главным образом в то время, когда он был дирижером и композитором Национального театра), для фильмов и переработки народных танцев и хоров.

Ион Думитрэску является одним из выдающихся представителей румынской композиционной школы. Его произведения, построенные на личные темы, глубоко уходят корнями в народную музыку.

Квартет № 1 в до мажоре имеет четыре части. Первая часть, аллегро кон брио, в форме сонаты, начинается энергичной темой ритмического движения, исполняемой в полную силу обеими скрипками, по характерной для народной музыке хроматической системе, в до с повышенной 4-ой ступенью и пониженной 7-ой ступенью. Короткий переход, выливающийся из первой темы, приводит к вторичной теме, появляющейся в тональности основной темы и охватывающей две мелодические идеи, с возвращением первой (в форме а-б-а). Первая из них носит спокойный характер, напоминающий плавное движение танца, и исполняется первой скрипкой, которая слышится на фоне хроматически понижающегося аккомпанемента в терцию второй скрипки и виолы. Вторая, певучая идея (комmodo) излагается в различных тональностях, расположенных на интервалах малой терции, что позволяет ей вернуться к начальному тону (соль). В основе короткого развития лежит вторая идея вторичной темы и выливающиеся из перехода элементы. В репризе вторичная тема появляется в измененном виде. Кoda заключает движение динаминацией основной темы.

Вторая часть, анданте соаве, в форме песни вносит широко развернутую мелодическую идею, напоминающую дойну, подготовляемую и поддерживаемую убаюкивающим движением второй скрипки и виолы и tremolo на низком регистре виолончели. Средняя часть песенной формы носит более выразительный характер, с ударениями на характерных для народных интонаций определенных интервалах. Затем возвращается первая тема, которая сопровождается тем же ритмическим убаюкиванием и заключает движение, как бы теряясь вдали.

В третьей части композитор избрал характерный для народной музыки темп $\frac{7}{8}$, чтобы подчеркнуть живой характер скерцо (аллегро скерцандо). Трио — алегретто модерато — создает контраст по характеру, движению и силе, не теряя при этом начальной ритмической пульсации, сохраняющей свой характер танца. Кoda этой части использует раздробление мелодического ядра основной темы скерцо, сводя её в последнем выражении к квинтовому интервалу.

Финал квартета написан в свободной форме рондо-сонаты, в которой развитие заменено изложением новой идеи. В основной теме экспозиции сонаты чувствуется влияние народного жанра и колядных песен, а новая идея (С) по своему исполнению как бы напоминает звуки волынки.

A musical score for four staves, likely for a woodwind quartet or similar ensemble. The score is divided into four systems by vertical bar lines.

System 1: The first staff uses a treble clef. The second staff uses a bass clef. The third staff uses an alto clef. The fourth staff uses a bass clef. All staves begin with a key signature of one sharp (F#). The first measure of each staff contains a single note. Subsequent measures show more complex rhythmic patterns, including eighth and sixteenth notes, with crescendo markings ("cresc.") appearing in the first three staves.

System 2: The first staff begins with a single note. The second staff shows eighth-note patterns. The third staff shows sixteenth-note patterns. The fourth staff shows eighth-note patterns.

System 3: The first staff begins with a single note. The second staff shows eighth-note patterns. The third staff shows sixteenth-note patterns. The fourth staff shows eighth-note patterns.

System 4: The first staff begins with a single note. The second staff shows eighth-note patterns. The third staff shows sixteenth-note patterns. The fourth staff shows eighth-note patterns.

Section 41: This section begins with a dynamic of *f cantabile cresc.* The first staff features a melodic line with eighth and sixteenth notes. The second staff shows eighth-note patterns. The third staff shows sixteenth-note patterns. The fourth staff shows eighth-note patterns. The section concludes with a dynamic of *f cresc.*

Final System: The first staff begins with a single note. The second staff shows eighth-note patterns. The third staff shows sixteenth-note patterns. The fourth staff shows eighth-note patterns.

Musical score page 11, measures 11-12. The score consists of four staves. Measure 11 starts with a dynamic of *decrec.* in the first staff. Measures 11 and 12 show various dynamics including *decrec.*, *p*, *mf*, and *pp*. Measure 12 concludes with a dynamic of *pp*.

Musical score page 11, measures 13-14. The score continues with four staves. Measures 13 and 14 feature dynamics of *p*, *mf*, *pp*, and *pp*. Measure 14 ends with a dynamic of *pp*.

Musical score page 11, measures 15-16. The score shows four staves. Measures 15 and 16 feature dynamics of *p*, *mf*, and *mf*.

Musical score page 11, measures 17-18. The score shows four staves. Measure 17 begins with a dynamic of *f cantabile*. Measure 18 concludes with a dynamic of *f*.

A page from a musical score featuring five staves of music. The top staff uses a treble clef, the second and third staves use bass clefs, and the bottom two staves use a combination of bass and tenor clefs. The key signature changes between measures, indicated by various sharps and flats. Measure 13 begins with dynamic ff. The first measure contains eighth-note patterns. The second measure has sixteenth-note patterns. The third measure features eighth-note chords. The fourth measure includes dynamics p giusto, p spiccat, and p. The fifth measure shows eighth-note patterns with dynamics ff and sf. The sixth measure contains sixteenth-note patterns with dynamics f and ff. The seventh measure has eighth-note chords with dynamics f and ff. The eighth measure concludes with eighth-note patterns and dynamics ff.
